

Label Magic Installation & Registration

Download Label Magic for FREE.

You can install and evaluate Label Magic for free, however to print labels will require an Activation Code which provides you with a 12 month software subscription. If you have purchased a new Sound Leisure Classic Jukebox a free 12 month Label Magic Activation Code will be included in your Welcome Pack. To purchase an Activation Code for other new software registrations or renewals, click [here](#).

Installing Label Magic (PC and Mac)

1. Label Magic requires the Adobe Air runtime to operate:

to download the PC installer [click here](#)

to download the MAC installer [click here](#)

Please note: Adobe ceased support for Adobe Air in December 2020, for more information [click here](#)

2. Double click the Adobe Air installer to install the application on your computer.
3. Now download the Label Magic (.air) installer file by [clicking here](#)
4. When the Label Magic (.air) file has downloaded, double click it to begin the install process. When installation has completed Label Magic will open automatically.
5. To evaluate the software without a subscription, click the "Skip" button. With the exception of the Print Labels functionality, you can now use all the functions of Label Magic.

Purchasing an Activation Code and registering Label Magic

1. To purchase a Label Magic Activation Code, click [here](#). If you received a free Activation Code when you purchased your jukebox, skip to step 4 below.
2. Review the terms and conditions and click 'AGREE TO TERMS AND CONDITIONS' if you are happy to proceed, then click the 'ADD TO CART' button at the bottom of the page. When you see the shopping basket, click 'CHECKOUT' and enter your personal details and payment info.
3. Once you have completed the payment process you will receive a Label Magic Confirmation Email which contains your unique Activation Code. (Please check the spam folder in your email client if this doesn't arrive within 10 minutes of your purchase.)

4. Open Label Magic and click the 'REGISTER' option at the top of the page.
5. Enter your personal details then choose a password and enter this in the PASSWORD box.
6. Now copy the Activation Code from the Label Magic Confirmation Email or the Label Magic card you received with your new jukebox. Use care to correctly copy 0's and O's, 4's and A's etc. Return to Label Magic and enter the exact code in the 'LABEL MAGIC ACTIVATION CODE' box.
7. Review the Terms and Conditions and tick the box if you are happy to proceed. Press the 'REGISTER NOW' button to complete the process.
8. Label Magic will return to the login page. You will receive a further email confirming your registration details.
9. Log in to Label Magic with the email address and Password you created when registering.
